

Notice of Scheduled Work and Detour

The construction of the Exchange Place Street Revitalization Phase 1-East Main Street has been progressing.

This is notice of road closure for the Thermoplastic crosswalk installation on East Main Street between Exchange Place and North Elm Street on **April 20, 2022 with a rain date of April 21, 2022 from 7 am to 4 pm**. Police officers will be used at North and South Elm Street, North and South Main Street, Phoenix Avenue, and Brook Street. There will be another officer at Brown Street and North Elm Street to allow parking in and out of the Wellmore Parking lot.

Local Access only will be allowed onto East Main Street from North/South Elm Street down to the Wellmore parking lot. Please see the attached map and follow all detour signs. If you are planning to go to a business on the South side of the East Main Street (Palace Theater side) please park in the Scovill Street Parking garage and walk to East Main Street through the Waterbury Arts Magnet School Courtyard. If you are going to UCONN parking garage please drive past Water Street to enter the garage.
